Alex “Distance” Wilson: "... under the 14th Amendment of The Constitution. I have a right to make a Citizen's Arrest. I'm witnessing United States Code Title 42 Conspiracy to Interfere with Civil Rights occurring. I could get tried with Action for Neglect to Prevent if I don't report this crime, & so could you, & I don't want you guys (officers) to get falsely charged. I don't want these guys to get falsely charged (indicates to civilians). I need to speak to the highest ranking officer right no so I can let them know which statutes I'm referring to so we can make the arrests. This is being recorded. I need help. I need help. We are in distress. Who can I speak to so we can get the arrests on these men? I will take it to court myself going pro se civil litigation. I know where the paperwork is. I don't want arrested. I'm not in violation of the law, but I'm witnessing a crime, & it would be irresponsible of me as a witness to not create this Citizen's Arrest right now, & I have a right. I reserve that Right right now. Will any of you honor my Right to do a Citizen's Arrest? I require to speak to the highest ranking officer here."

Another civilian offers the officers water.

“No they like oil instead. You guys want some oil?

Another Civilian responds: "They must all be equals here."

Distance: "Are you all equals here? Is there a highest ranking officer her? Will one of you answer me?"

John Wathen: “Yes there is. He's over here by this machine. He's in the black..."
