## **Disclaimer**

The author, publisher, and/or distributor(s) of this publication are not liable for damages, injuries, or losses which may transpire or result from anyone's attempt to exercise or apply, in any manner, any legal procedure which may have derived information from this booklet, or from any website associated with Wild Willpower PAC. This booklet, compiled in good faith, serves to convey what appears to the author to show probable cause for charges to be filed against certain public officials, and for a class action to be filed on behalf of the water protectors whose First Amendment rights were violated when they spoke out against what they believed to be an illegally approved pipeline.

# *In loving memory*

of Ladonna and Miles Brave Bull Allard

Thank you for inspiring the entire world  
to stand up for clean water.

*Mni wiconi! Water is life.*

# Table of Contents:
